

Virtual Prayer Walking of Fort Carson, Colorado

There are almost 47,000 soldiers and family members at Fort Carson, Colorado. This is not counting Department of the Army Civilians or retirees in the area. We ask for your prayers for this group as we seek to reach them for a personal relationship with Jesus Christ. As you pray keep the following in mind:

Living Springs Fellowship

Fort Carson, Colorado Virtual Prayer Walk

1. For the soldiers at Fort Carson.
 - a. For their safety as they are deployed around the world. That the Lord will keep His protective Hands around them.
 - b. That their hearts will be opened by God to listen to the Good News of His love for them and accept His Salvation.
2. The families of the soldiers at Fort Carson.
 - a. For grace and peace in their lives as their loved ones are deployed around the world. That they will experience this grace and peace while their loved ones may be in harms way.
 - b. For understanding and patience as the spouse deals with the children and the loneliness while the military member is deployed.
 - c. That their hearts will be opened by God to listen to the Good News of His love for them and accept His Salvation.
3. For open doors as we seek ways to connect with the soldiers and their families to share the Gospel.
 - a. Open doors on Fort Carson as we seek ways to reach the soldiers and their families in the barracks and the housing areas on post.
 - b. Open doors in the apartments off post as we seek ways to reach the soldiers and their families living in those apartments.
 - c. Ministry opportunities in the area of Fort Carson to reach people for Christ.

4. For a core group of members and leaders to help us in this work.

I realize that this list can seem imposing with all the units and can be confusing. One way to pray this virtual prayer walk is to keep the above prayer requests in mind as you pray for the units under each of the days for the virtual prayer walk. This will make the list easier to add to your prayer list. We thank you for your prayers and for keeping us in prayer as we seek to minister to those in the Fort Carson area.
